

The Razer Carcharias Gaming Headset for Xbox 360/PC is a circumaural gaming headset designed for extended hours of gameplay with superior gaming audio, clarity, and bass. Get ready to experience extreme comfort with circumaural ear cups and interchangeable ear cushions.

Just like its ferocious predecessor, the original Razer Carcharias, the all-new Razer Carcharias for Xbox/PC delivers superior, realistic audio with clarity and deep, thumping bass.

The in-line remote control provides fast and easy controls over volume as well as the voice and game volume balance, making this headset perfect for Xbox LIVE gaming. The adjustable, noise filtering microphone is tuned for clear voice communication. A complete and comfortable gaming communications package, the Razer Carcharias is fully geared and ready to plug-and-play with your Xbox 360 or your PC.

6. SAFETY AND MAINTENANCE

SAFETY GUIDELINES

In order to achieve maximum safety while using your Razer Carcharias, we suggest that you adopt the following guidelines:

1. Should you have trouble operating the device properly and troubleshooting does not work, unplug the device and contact the Razer hotline or go to www.razersupport.com for support. Do not attempt to service or fix the device yourself at any time.
2. Do not take apart the device (doing so will void your warranty) and do not attempt to service it yourself or operate it under abnormal current loads.
3. Keep your device away from liquid, humidity or moisture. Operate your device only within the specified temperature range of 0°C (32°F) to 40°C (104°F). Should you operate it in a temperature that is beyond this range, unplug and switch off the device in order to let the temperature stabilize within the optimal temperature range.
4. The device isolates external ambient sounds even at low volumes, resulting in lowered awareness of your external surroundings. Please remove the device when engaging in any activities that requires active awareness of your surroundings.
5. Listening to excessively loud volumes over extended periods of time can damage your hearing. Furthermore, legislation of certain countries permits a maximum sound level of 86db to affect your hearing for 8 hours a day. We therefore recommend that you reduce the volume to a comfortable level when listening for prolonged periods of time. Please, take good care of your hearing.

MAINTENANCE AND USE

The Razer Carcharias requires minimum maintenance to keep it in optimum condition. Once a month we recommend you unplug the device and clean it using a soft cloth or cotton swab with a bit of warm water to prevent dirt buildup. Do not use soap or harsh cleaning agents.
