

# RAZER MECHANICAL KEYBOARD CASE

MASTER GUIDE

Renowned for producing the best in gaming keyboards, Razer created the world's first low-profile mechanical switch complemented by backlight illumination to give you the **Razer Mechanical Keyboard Case for Apple iPad Pro**. Complete with Bluetooth connectivity and a metal kickstand, this impressive keyboard case protects as well as delivers absolute typing comfort and efficiency at all times.

Whether you're out at night or surfing before you go to bed, each key is individually backlit for even illumination throughout. With 20 brightness levels, you can easily adjust the Razer Mechanical Keyboard Case to perfectly suit any setting you're in.

The Razer Mechanical Keyboard Case not only protects your tablet, but it also gives you added flexibility whenever you need it. Detachable and not limited to a fixed angle, the metal kickstand gives you the freedom to easily prop your Apple iPad Pro into any position you want.

---

## 4. DEVICE LAYOUT

- A. Protective case
- B. Detachable magnetic hinge
- C. Mechanical keyboard
- D. Power button
- E. LED indicators
- F. Metal kickstand
- G. Charging cable

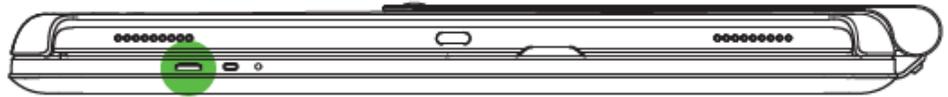

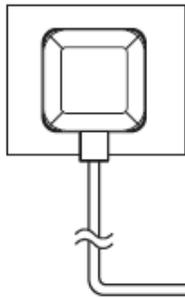

---

## 5. SETTING UP YOUR RAZER MECHANICAL KEYBOARD CASE

### GETTING STARTED

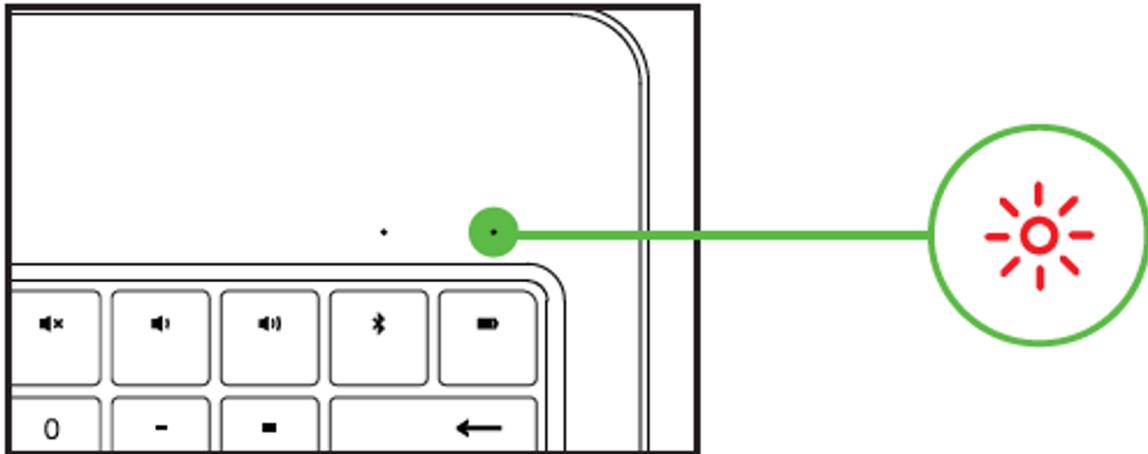

1. Connect your Razer Mechanical Keyboard Case to a suitable power source using the charging cable.

*\*USB power adapter not included*

**i** *Note: It is highly recommended that you use a 5 volts 1 amp / 5V 1A (or a higher amperage) USB power adapter as some USB ports and hubs may not be suitable for charging.*

2. Wait for Razer Mechanical Keyboard Case to fully charge.

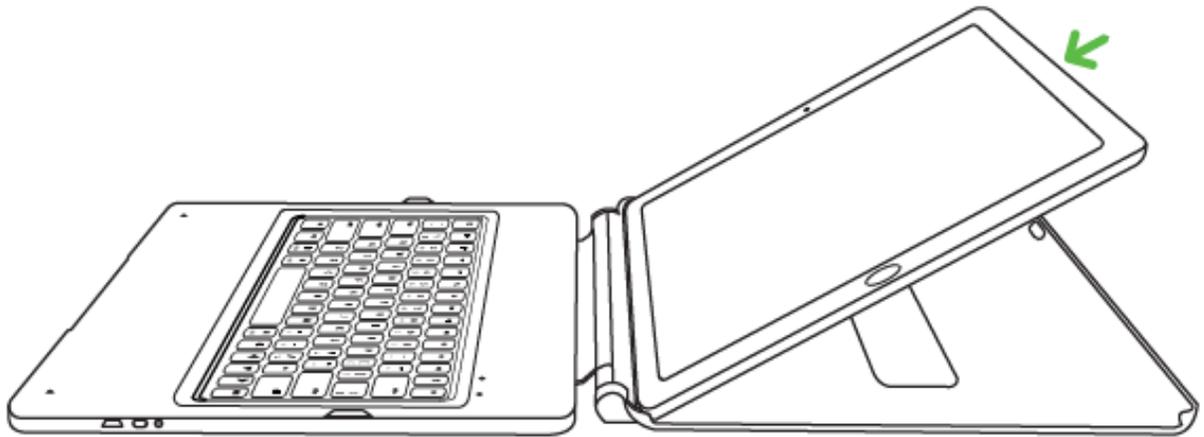

#### KEYBOARD BATTERY INDICATOR

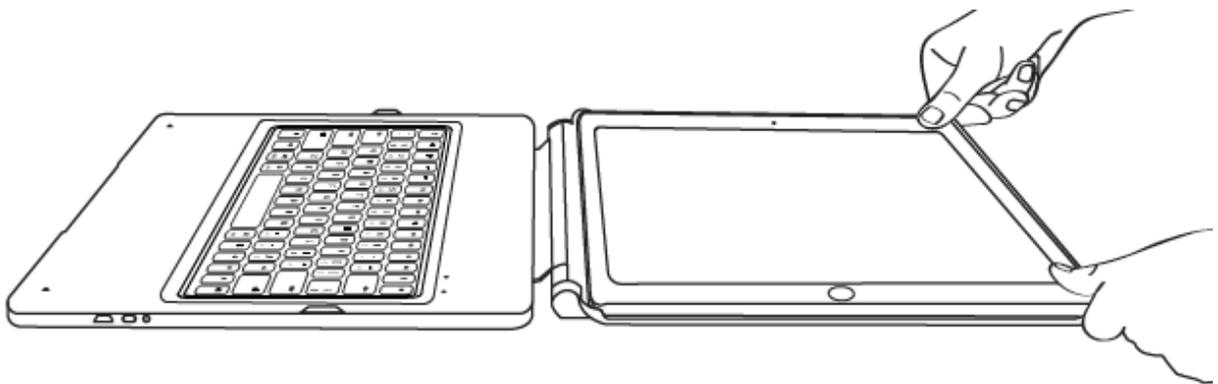

STATUS	Full	Low	Critical	Charging
NOTIFICATION				

**i** *Note: A depleted battery will take at least 3 ½ hours to fully charge.*

3. Gently place your iPad Pro into the protective case.

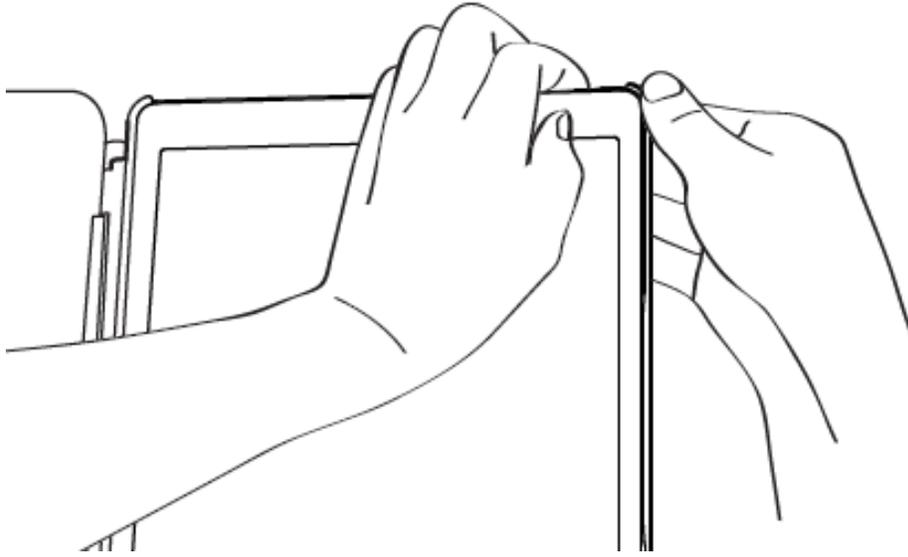

4. Press down on the sides of the protective case to fasten your iPad Pro.

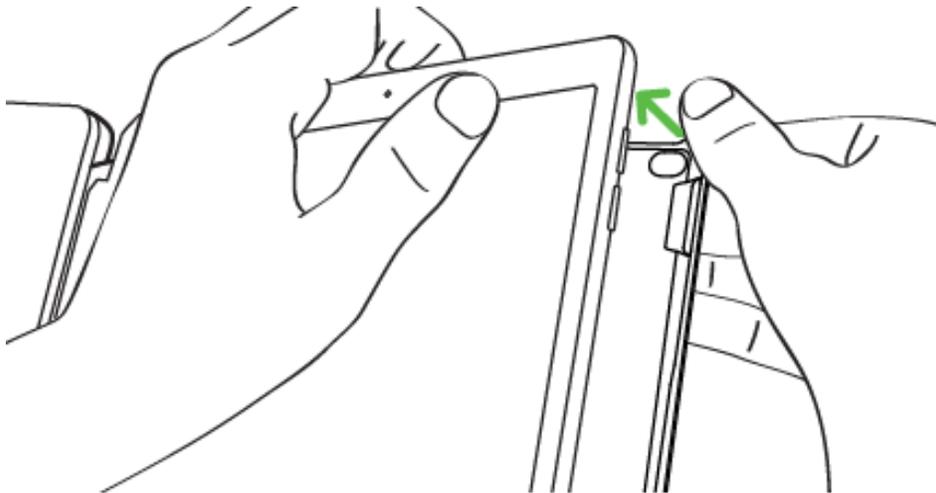

## REMOVING YOUR IPAD PRO

1. Unfasten the corner of your iPad Pro from your Razer Mechanical Keyboard Case.

2. Use the corner gap to carefully remove your iPad Pro from your Razer Mechanical Keyboard Case.

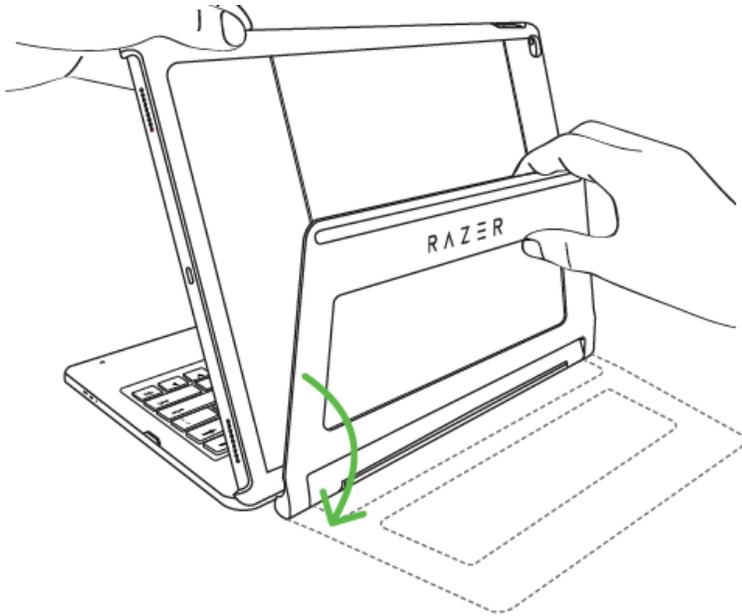

---

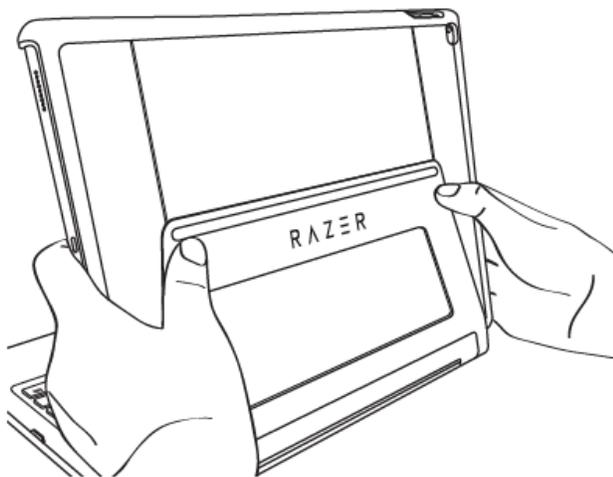

## 6. USING YOUR RAZER MECHANICAL KEYBOARD CASE

### METAL KICKSTAND

Your Razer Mechanical Keyboard Case is equipped with an adjustable metal kickstand located at the back of the protective case. To open the metal kickstand, hold the protective case with one hand then use your other hand to pull the metal kickstand away from the protective case. Once opened, you can use your Razer Mechanical Keyboard Case for typing or for viewing media.

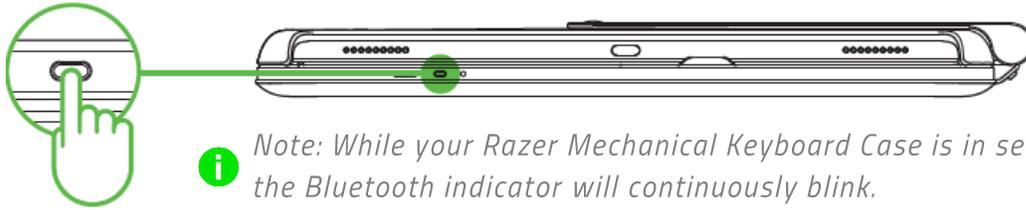

To close, hold the protective case with one hand and use the other hand to push the metal kickstand towards the case. After that, push the sides of the metal kickstand to lock it in place.

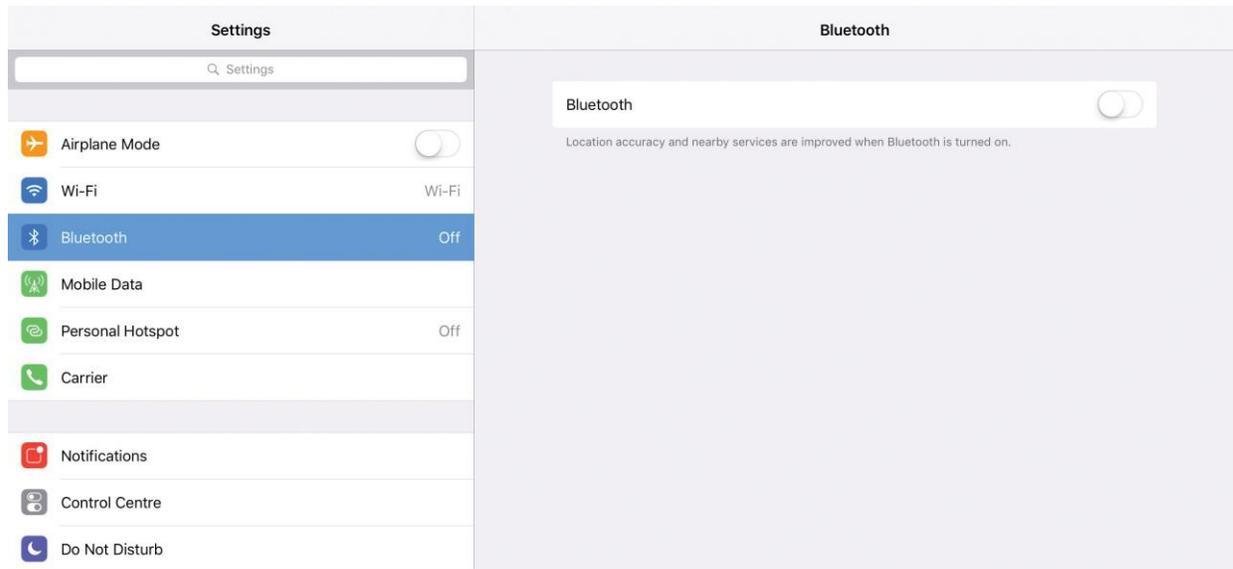

## BLUETOOTH PAIRING

1. Power on your Razer Mechanical Keyboard Case.

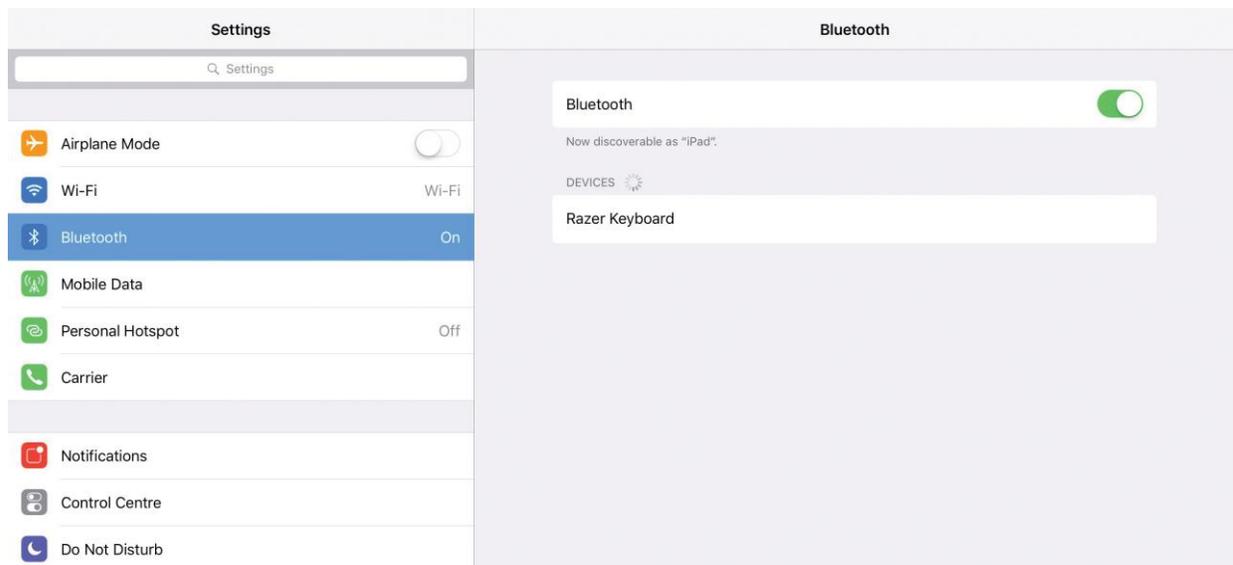

**i** Note: While your Razer Mechanical Keyboard Case is in search mode, the Bluetooth indicator will continuously blink.

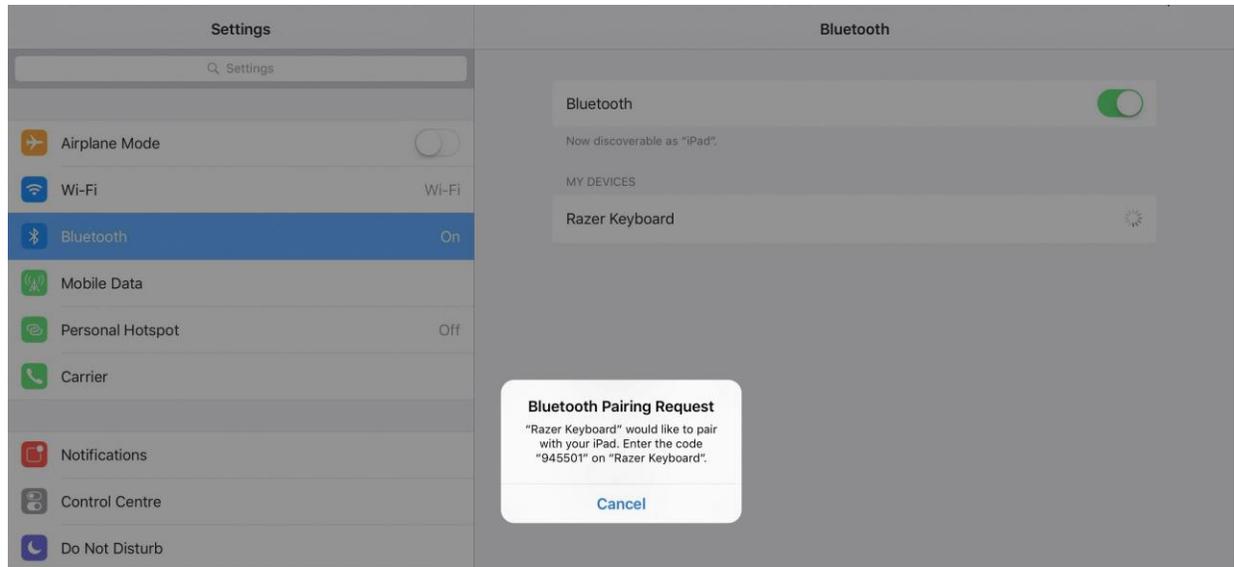

2. Enable Bluetooth on your iPad Pro.

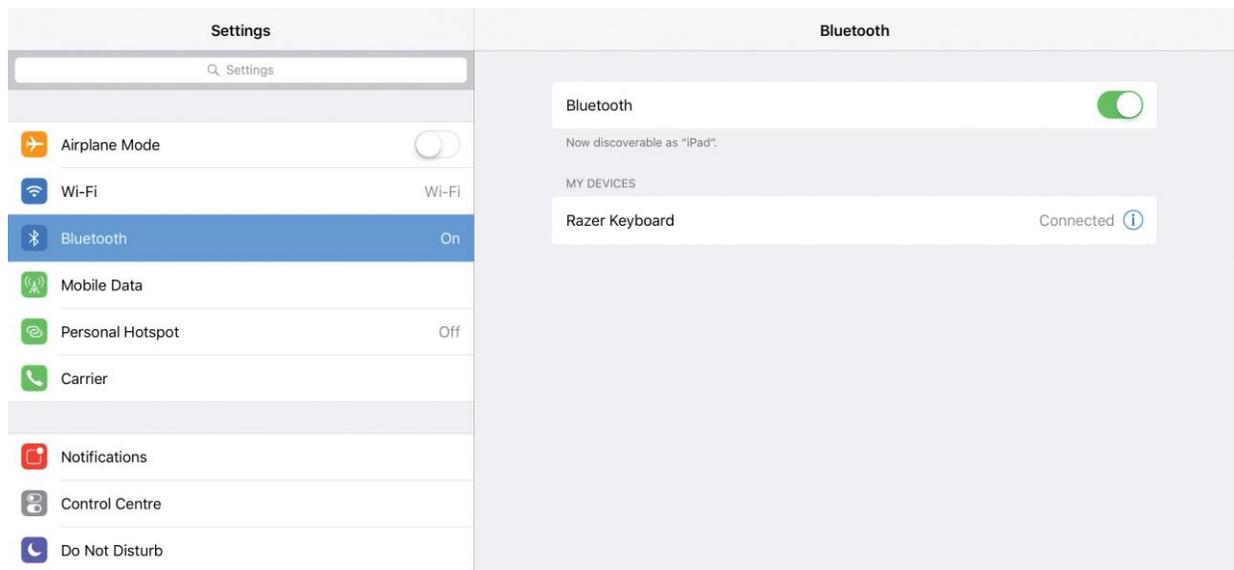

3. Select "Razer Keyboard" from the list of devices found.

4. Enter the 6-digit code on your Razer Mechanical Keyboard Case then press Enter.

5. Wait for pairing to complete.

When pairing is complete, the LED indicator will change to static blue for 5 seconds before turning off.

Once your iPad Pro has been paired, your Razer Mechanical Keyboard Case will automatically reconnect to the device every time the keyboard is powered on. If you want to pair your Razer Mechanical Keyboard Case to another device, simply un-pair the keyboard then repeat the Bluetooth pairing steps again.

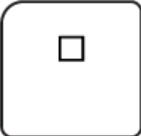

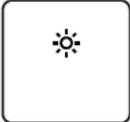

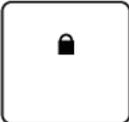

## SLEEP MODE

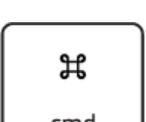

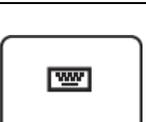

Sleep mode deactivates your Razer Mechanical Keyboard Case to conserve energy. Your Razer keyboard will automatically enter sleep mode if left unpaired for 15 seconds. Under this mode, your iPad Pro would be unable to pair or connect with your Razer keyboard.

To wake your Razer keyboard, simply press the Bluetooth key of your Razer Mechanical Keyboard Case. The Bluetooth indicator will continuously blink to indicate that it is currently in search mode.

## SPECIAL FUNCTION KEYS

Special function keys offer the same functionality as the physical buttons and commands on your iPad Pro. Special function keys include the following:

SPECIAL FUNCTION KEYS	DESCRIPTION
	Return to the Home screen and also access to other useful shortcuts using the Home key.
 	The screen brightness keys allow you to decrease (  ) or increase (  ) the brightness of your iPad Pro display.
 	Decrease (  ) or increase (  ) the brightness of your keyboard's backlight LEDs using the keyboard backlight keys.
	Use the spotlight key to search for useful information in your iPad Pro, your apps, or the Internet.
	The sleep/wake key locks and puts your iPad Pro to sleep mode.

	<p>The media keys allow you to play/pause (▶  ), rewind (◀◀) or skip (▶▶) media content on your iPad Pro.</p>
	<p>Mute (🔇), decrease (🔊) or increase (🔊) the audio output of songs, notifications, sound effects, and other media.</p>
	<p>Press this button to wake your Razer Mechanical Keyboard Case from sleep mode.</p>
	<p>The keyboard battery status key shows the current battery level of your Razer Mechanical Keyboard Case (see keyboard battery indicator for more info).</p>
	<p>The language key allows you to show or change your iPad Pro's keyboard format.</p>
	<p>Combine the command key with other keys to access app-based shortcuts.</p>
	<p>Use the virtual keyboard key to show or hide the on-screen keyboard.</p>

## TROUBLESHOOTING YOUR RAZER MECHANICAL KEYBOARD CASE

Should the Razer Mechanical Keyboard Case stop responding, you can manually shutdown the keyboard using the pinhole reset button as shown here:

If this does not solve the issue, please contact our customer support team at [razersupport.com](https://www.razersupport.com).

---

## 7. SAFETY AND MAINTENANCE

### SAFETY GUIDELINES

In order to achieve maximum safety while using your Razer Mechanical Keyboard Case, we suggest that you adopt the following guidelines:

Should you have trouble operating the device properly and troubleshooting does not work, unplug the device and contact the Razer hotline or go to [razersupport.com](https://razer.com/support) for support. Do not attempt to service or fix the device yourself at any time.

Do not take apart the device (doing so will void your warranty) and do not attempt to operate it under abnormal current loads.

Keep the device away from liquid, humidity or moisture. Operate the device only within the specific temperature range of 0°C (32°F) to 40°C (104°F). Should the temperature exceed this range, unplug and/or switch off the device in order to let the temperature stabilize to an optimal level.

### MAINTENANCE AND USE

The Razer Mechanical Keyboard Case requires minimum maintenance to keep it in optimum condition. Once a month we recommend you unplug the device from the computer and clean it using a soft cloth or cotton swab with a bit of warm water to prevent dirt buildup. Do not use soap or harsh cleaning agents.

### BATTERY WARNING

The Razer Mechanical Keyboard Case contains an internal, lithium-ion polymer rechargeable battery. In general, the life expectancy of this battery depends upon its usage. If the battery does not charge after several attempts, it may be non-operational and you may need to contact customer support. Do not attempt to replace the battery yourself.

Do not open, mutilate, or expose to conducting materials (metal), moisture, liquid, fire, or heat. Doing so may cause the battery to leak or explode, resulting in personal injury. Do not use or charge the battery if it is leaking, discolored, or deformed.

Do not leave the battery discharged or unused for extended periods. When not using your Razer Mechanical Keyboard Case for more than 30 days, be sure to store the battery in a fully charged state. This will prevent damage to the battery due to an overly discharged state.

---

### **LIMITED PRODUCT WARRANTY**

For the latest and current terms of the Limited Product Warranty, please visit [razerzone.com/warranty](http://razerzone.com/warranty).

## **LIMITATION OF LIABILITY**

Razer shall in no event be liable for any lost profits, loss of information or data, special, incidental, indirect, punitive or consequential or incidental damages, arising in any way out of distribution of, sale of, resale of, use of, or inability to use the Product. In no event shall Razer's liability exceed the retail purchase price of the Product.

## **COSTS OF PROCUREMENT**

For the avoidance of doubt, in no event will Razer be liable for any costs of procurement unless it has been advised of the possibility of such damages, and in no case shall Razer be liable for any costs of procurement liability exceeding the retail purchase price of the Product.

## **GENERAL**

These terms shall be governed by and construed under the laws of the jurisdiction in which the Product was purchased. If any term herein is held to be invalid or unenforceable, then such term (in so far as it is invalid or unenforceable) shall be given no effect and deemed to be excluded without invalidating any of the remaining terms. Razer reserves the right to amend any term at any time without notice.
