

# RAZER THRESHER TOURNAMENT EDITION

MASTER GUIDE

## Command in Comfort

When we asked esports athletes what mattered most in a gaming headset, the resounding answer was comfort. The **Razer Thresher Tournament Edition** is our answer to that, and more. We equipped it with big 50 mm audio drivers for life-like sound, a boom mic that works flawlessly in noisy environments and pillowy-soft, memory foam cushioned earcups wrapped in soft supple leatherette. Now your gaming marathons and practice sessions can go on for hours without interruption.

---

## 5. USING YOUR RAZER THRESHER TOURNAMENT EDITION

### USING THE RETRACTABLE MICROPHONE

Pull the tip of the microphone until it is fully extended.

Bend the microphone until it is in front of your mouth, then adjust the length as preferred.

## USING THE ON-HEADSET CONTROLS

Rotate the volume control wheel to increase or decrease the volume.

Increase

Decrease

Use the microphone mute toggle to enable or disable the microphone.

Mute

Unmute

## EXTENDING YOUR HEADPHONE'S LIFESPAN

We recommend stretching the headphones gently apart before placing them over your head to minimize headband stress. However, please avoid overstretching the headphones beyond its technical limits.

---

## 6. SAFETY AND MAINTENANCE

### SAFETY GUIDELINES

In order to achieve maximum safety while using your Razer Thresher Tournament Edition, we suggest that you adopt the following guidelines:

Should you have trouble operating the device properly and troubleshooting does not work, unplug the device and contact the Razer hotline or go to [razersupport.com](https://razer.com/support) for support. Do not attempt to service or fix the device yourself at any time.

Do not take apart the device (doing so will void your warranty) and do not attempt to operate it under abnormal current loads.

Keep the device away from liquid, humidity or moisture. Operate the device only within the specific temperature range of 0°C (32°F) to 40°C (104°F). Should the temperature exceed this range, unplug and/or switch off the device in order to let the temperature stabilize to an optimal level.

The device isolates external ambient sounds even at low volumes, resulting in lowered awareness of your external surroundings. Please remove the device when engaging in any activities that requires active awareness of your surroundings.

Listening to excessively loud volumes over extended periods of time can damage your hearing. Furthermore, legislation of certain countries permits a maximum sound level of 86db to affect your hearing for 8 hours a day. We therefore recommend that you reduce the volume to a comfortable level when listening for prolonged periods of time. Please, take good care of your hearing.

### MAINTENANCE AND USE

The Razer Thresher Tournament Edition requires minimum maintenance to keep it in optimum condition. Once a month we recommend you unplug the device from the computer and clean it using a soft cloth or cotton swab with a bit of warm water to prevent dirt buildup. Do not use soap or harsh cleaning agents.

---

## 7. LEGALESE

### **COPYRIGHT AND INTELLECTUAL PROPERTY INFORMATION**
