

RAZER THRESHER FOR PS4

MASTER GUIDE

The pressure's on to perform—so bring out the big guns. The **Razer Thresher for PS4** fulfills your dream of total console domination: a headset decked out with ultimate control whether it's cranking up the audio to match your adrenaline, or making sure every command is heard by your team. It's the only way to win.

The Razer Thresher for PS4 allows you to choose from a wired 3.5 mm analog connection, or a 2.4 GHz wireless connection. On-headset controls provide instant access to controls like mic monitoring and controlling master volumes, while the retractable digital mic allows clear and true-to-life communication. Experience total comfort with lightweight, leatherette ear cushions — complete with an indentation for added flexibility even when wearing glasses.

5. SETTING UP YOUR RAZER THRESHER FOR PS4

CONNECTING TO YOUR PS4

1. Plug the USB dongle to your PS4.

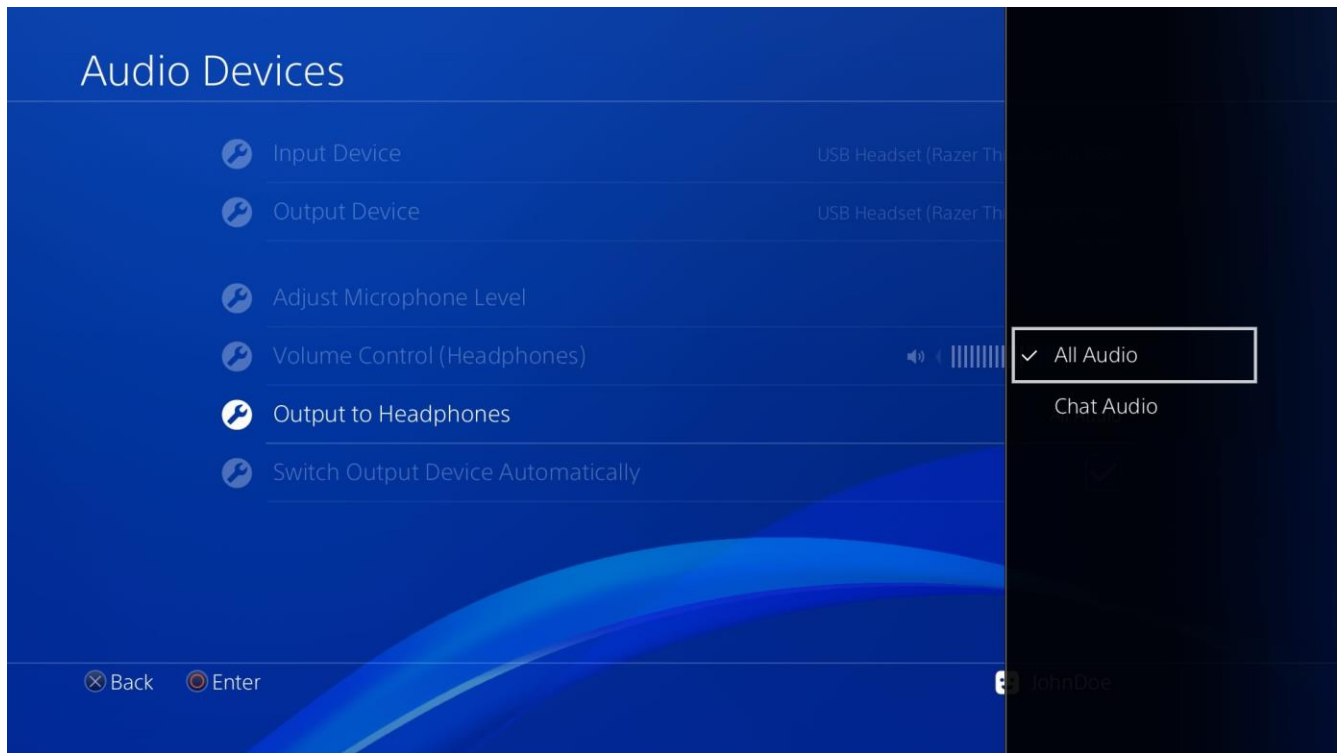

2. Go to **Settings** > **Devices** > **Audio Devices**, and then select your **Razer Thresher For PS4** for the **Input Device** and **Output Device** options.

Note: It is recommended to set Volume Control and Adjust Microphone Level to maximum then use the headset controls to fine-tune the settings.

3. On the **Output to Headphones**, select **All Audio**.

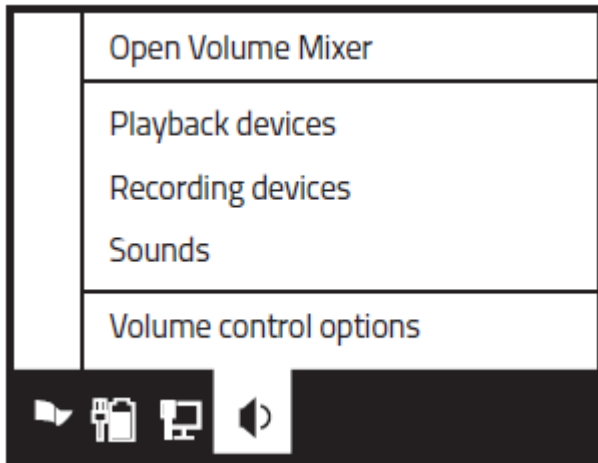

CONNECTING TO YOUR PC

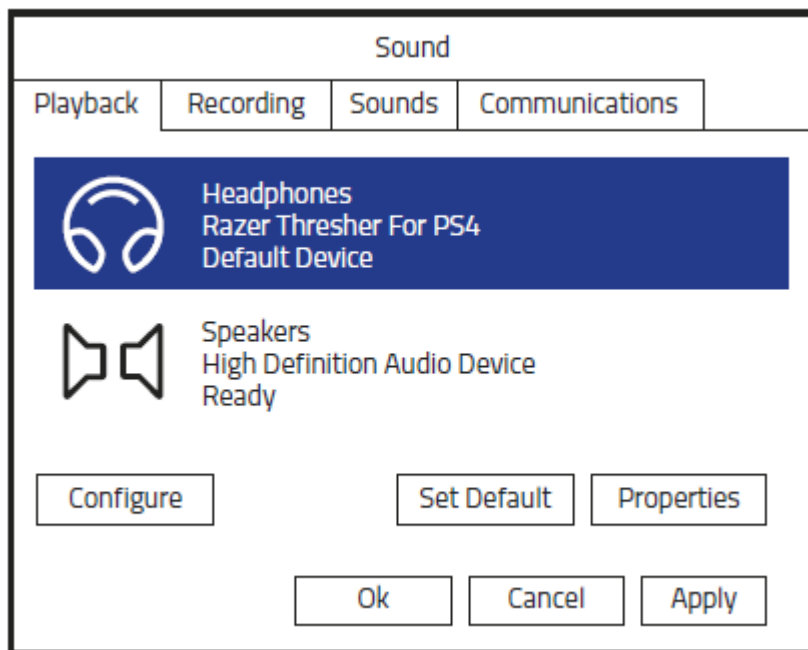

1. Plug the USB dongle to your PC.

2. Right-click on the sound icon on the system tray, and then select **Playback devices**.

3. In the Playback tab, select Razer Thresher For PS4 from the list, and then click the **Set Default** button.

CONNECTING TO YOUR MAC

- 1. Plug the USB dongle to your Mac.

- 2. Open your Sound settings from System Preferences > Sound.

- 3. In the Output tab, select Razer Thresher For PS4 from the list.

Sound Effects

Output

Input

Name	Type
Headphones	Built-in Output
Line Out	Built-in Line Output
Razer Thresher For PS4	USB

4. In the Input tab, select Razer Thresher For PS4 from the list.

Name	Type
External Microphone	Microphone port
Line In	Audio line-in port
Razer Thresher For PS4	USB

CONNECTING TO YOUR PS4 CONTROLLER

To connect your Razer Thresher For PS4, simply plug the 3.5mm audio cable from your headset to your PS4 controller's stereo headset jack.

CONNECTING TO YOUR OTHER DEVICES

If your device does not have a USB port but instead have a 3.5mm audio + mic combined jack, simply plug the 3.5mm audio cable from your headset to your device's audio jack.

6. USING YOUR RAZER THRESHER FOR PS4

CHARGING YOUR HEADSET

Plug your Razer Thresher For PS4 to a powered USB port using the Micro-USB to USB cable.

For best results, please fully charge the headset before using it for the first time. A depleted unit will fully charge in about **4 hours**.

UNDERSTANDING THE CHARGING NOTIFICATIONS

The LED indicator on the headset will send out notifications depending on its current charging status, as shown here:

LED NOTIFICATION	SOUND NOTIFICATION	STATUS
Blinking green 	None 	Charging 
Static green 	None 	Charged 
Static red 	Warning tone 	Battery Low 

Blinking red 

Warning tone every 5
minutes 

Battery Critical 

POWER ON

Press and hold the headset power button until you hear the ON tone and the LED indicator is lit.

Note: Keep the devices within close proximity of each other for a faster and more stable connection.

POWER OFF

Press and hold the headset power button until you hear the OFF tone and the LED indicator is turned off.

CONNECTING NOTIFICATIONS

The headset and the USB dongle will display notifications depending on its current status, as shown here:

Note: If the headset is not connected, it will automatically power off after a few minutes.

USING THE AUDIO VOLUME CONTROL

Rotate the audio volume control to increase or decrease the volume. You will hear a short beep when you reach the minimum or maximum volume.

Press the audio volume button to mute or unmute the in-game audio.

USING THE RETRACTABLE MICROPHONE

Pull the tip of the microphone until it is fully extended.

Bend the microphone until it is in front of your mouth, then adjust the length as preferred.

USING THE MIC MONITORING CONTROL

Rotate the volume control to increase or decrease the mic monitoring volume. You will hear a short beep when you reach either the minimum or maximum volume.

Press the mic monitoring control to mute or unmute the microphone. The microphone LED will light up when muted.

USING THE IN-LINE CONTROLS

Rotate the volume control wheel to increase or decrease the volume.

Increase

Decrease

Use the microphone mute toggle to enable or disable the microphone.

Mute

Unmute

EXTENDING YOUR HEADSET'S LIFESPAN

We recommend stretching the headset gently apart before placing them over your head to minimize headband stress. However, please avoid overstretching the headset beyond its technical limits.

7. SAFETY AND MAINTENANCE

SAFETY GUIDELINES

In order to achieve maximum safety while using your Razer Thresher For PS4, we suggest that you adopt the following guidelines:

Should you have trouble operating the device properly and troubleshooting does not work, unplug the device and contact the Razer hotline or go to support.razer.com for support.

Do not take apart the device (doing so will void your warranty) and do not attempt to operate it under abnormal current loads.

Keep the device away from liquid, humidity or moisture. Operate the device only within the specific temperature range of 0°C (32°F) to 40°C (104°F). Should the temperature exceed this range, unplug and/or switch off the device in order to let the temperature stabilize to an optimal level.

The device isolates external ambient sounds even at low volumes, resulting in lowered awareness of your external surroundings. Please remove the device when engaging in any activities that requires active awareness of your surroundings.

Listening to excessively loud volumes over extended periods of time can damage your hearing. Furthermore, legislation of certain countries permits a maximum sound level of 86db to affect your hearing for 8 hours a day. We therefore recommend that you reduce the volume to a comfortable level when listening for prolonged periods of time. Please, take good care of your hearing.

MAINTENANCE AND USE

The Razer Thresher For PS4 requires minimum maintenance to keep it in optimum condition. Once a month we recommend you unplug the device from the computer and clean it using a soft cloth or cotton swab with a bit of warm water to prevent dirt buildup. Do not use soap or harsh cleaning agents.
