# APPLICATION INSTALLATION INSTRUCTIONS

## APPLICABLE MODEL NUMBERS

- RZ09-02886
- RZ09-02887
- RZ09-02888

## APPLICATION NAME AND VERSION

Dolby Atmos Application Version 3.20201.255

## INSTRUCTIONS

**Note:** This download is only intended for the Razer Blade Laptop(s) listed above. Updates for this application may be available via standard Windows Updates. To ensure you have the latest application installed on your Blade please make sure to apply all available updates from Windows.

Please follow the instructions below to download and install the original application for your Blade. Following the installation, it is recommended to search for any available Windows Updates.

- Ensure your Blade is plugged into a wall outlet and not running on battery alone before proceeding.
- Please save any open documents on your computer and close all other programs before attempting this update.
- Download the application from the link below. You will need to right click the .zip folder and choose to extract the files to a location of your choosing (such as your desktop) to locate the files for the installation process.

<http://rZR.to/wlYEW>

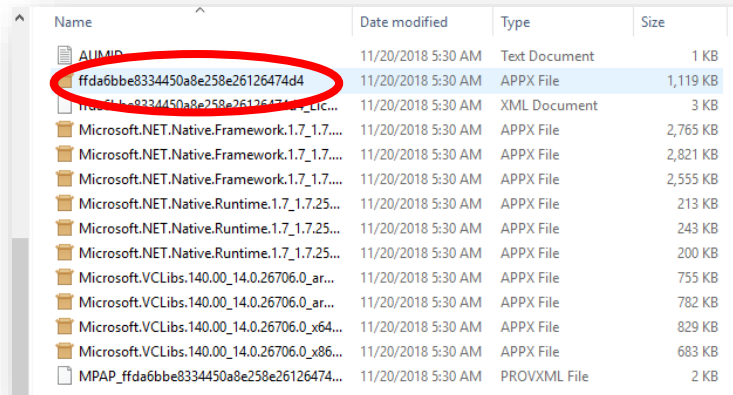

- Once you have extracted the file proceed to the installation steps below.

---

## INSTALLATION PROCESS

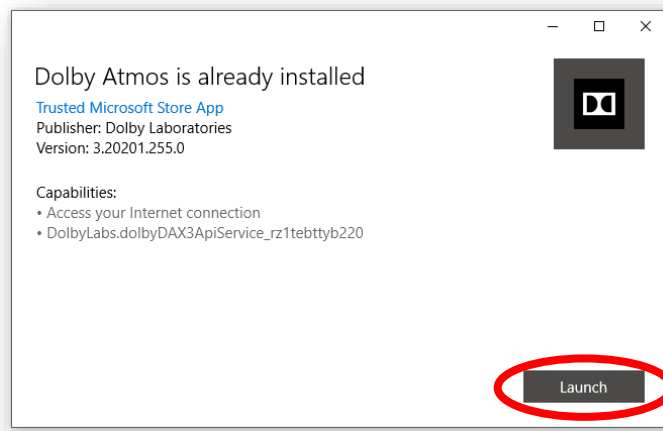

**Note:** The Dolby Atmos Application is dependent upon the Dolby Atmos Driver. Please ensure the Dolby Atmos Driver is installed prior to running the install of this application.

1. To begin the installation process, click on the ffd6bbe8334450a8e258e26126474d4.appx (APPX File) as shown in the image below:

2. You will be prompted to install and launch the application upon the completion of the installation process. Once complete, you can close the application or launch as necessary.

**Note:** If you have the latest version of the Dolby Atmos app, you will be prompted with the following image:

3. End
