
DRIVER INSTALLATION INSTRUCTIONS

APPLICABLE MODEL NUMBERS

- RZ09-03009

DRIVER NAME AND VERSION

Intel WIFI Driver Version 20.120.1.1

INSTRUCTIONS

Note: This download is for the original driver that was installed on your Razer Laptop. Updates for this driver are available via standard Windows Updates. To ensure you have the latest driver installed on your Blade please make sure to apply all available updates from Windows.

Please follow the instructions below to download and install the original driver for your Blade. Following the installation, it is recommended to search for any available Windows Updates.

1. Ensure that your Blade is plugged into a wall outlet and not running on battery alone before proceeding.
2. Save any open documents on your computer and close all other programs before attempting this update.
3. Download the driver from the link below. You will need to right click the .zip folder and choose to extract the files to a location of your choice.

<http://rZR.to/W9fbc>

4. Once you have extracted the file proceed to the installation steps below.

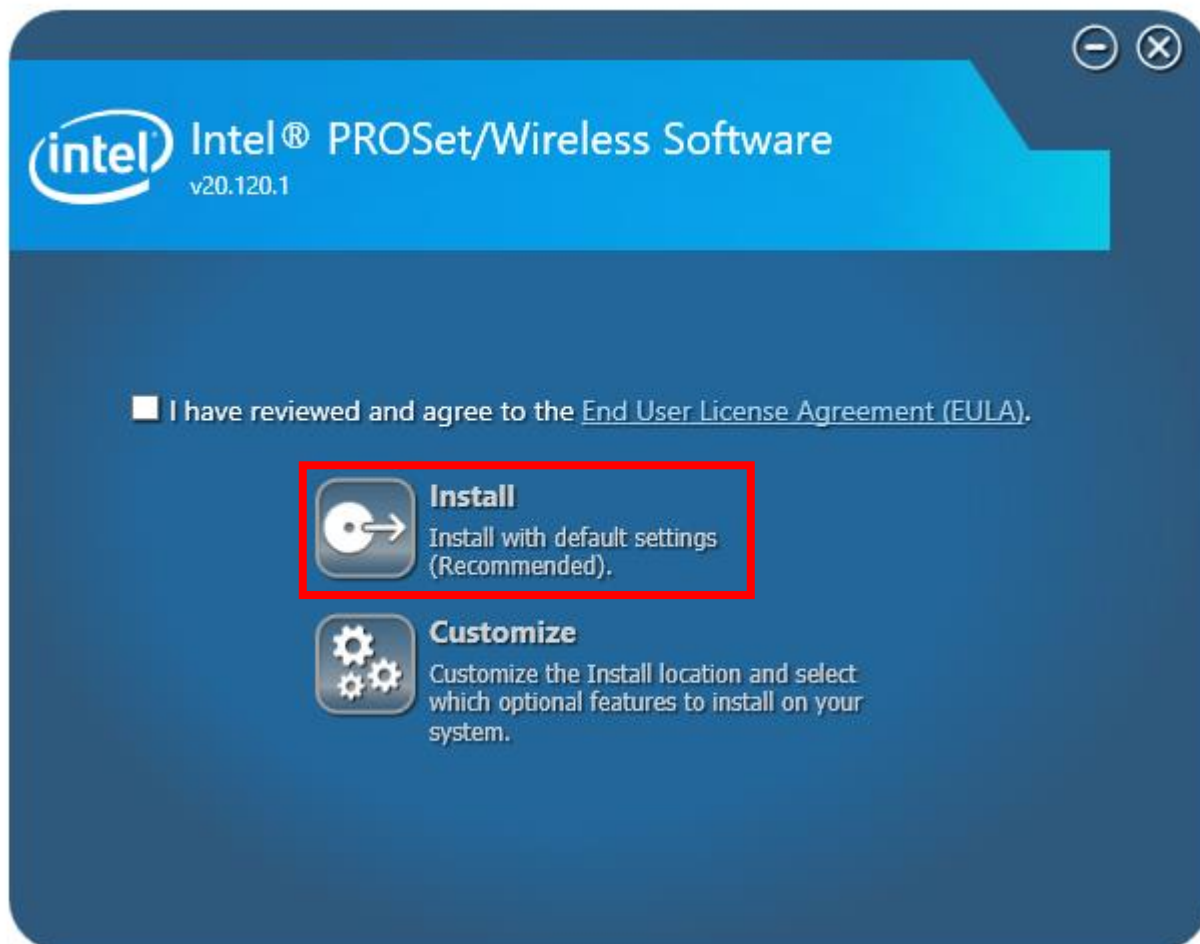

INSTALLATION PROCESS

For New Install

1. Double-click on the "Autorun.exe" file to initiate the installation process.

Name	Status	Date modified	Type
UWD		01/10/2019 2:59 PM	File folder
Win7Plus		01/10/2019 2:59 PM	File folder
 Autorun		01/10/2019 2:59 PM	Application
 Autorun		01/10/2019 2:59 PM	Setup Information
 intel_software_license		01/10/2019 2:59 PM	Rich Text Format
 license-notices for wifi driver		01/10/2019 2:59 PM	Microsoft Word 97...
 verfile.tic		01/10/2019 2:59 PM	TIC File

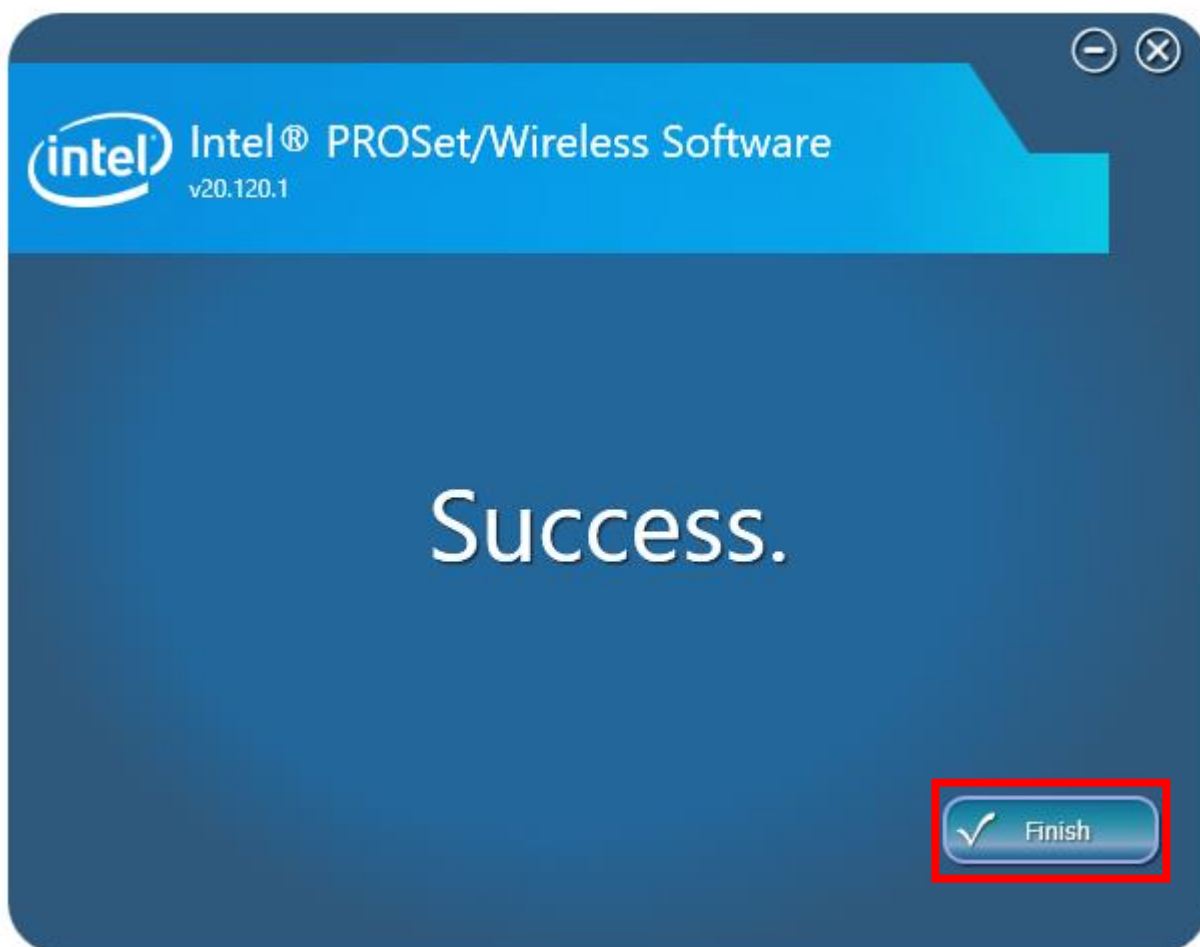

2. Upon opening the application, click the checkbox that you have reviewed and agreed to the End User License Agreement (EULA). After which, you will now be able to click on "Install".

3. A progress bar will appear. Wait for the installation process to complete.

4. Once the installation process is complete, click "Finish" to close the window.

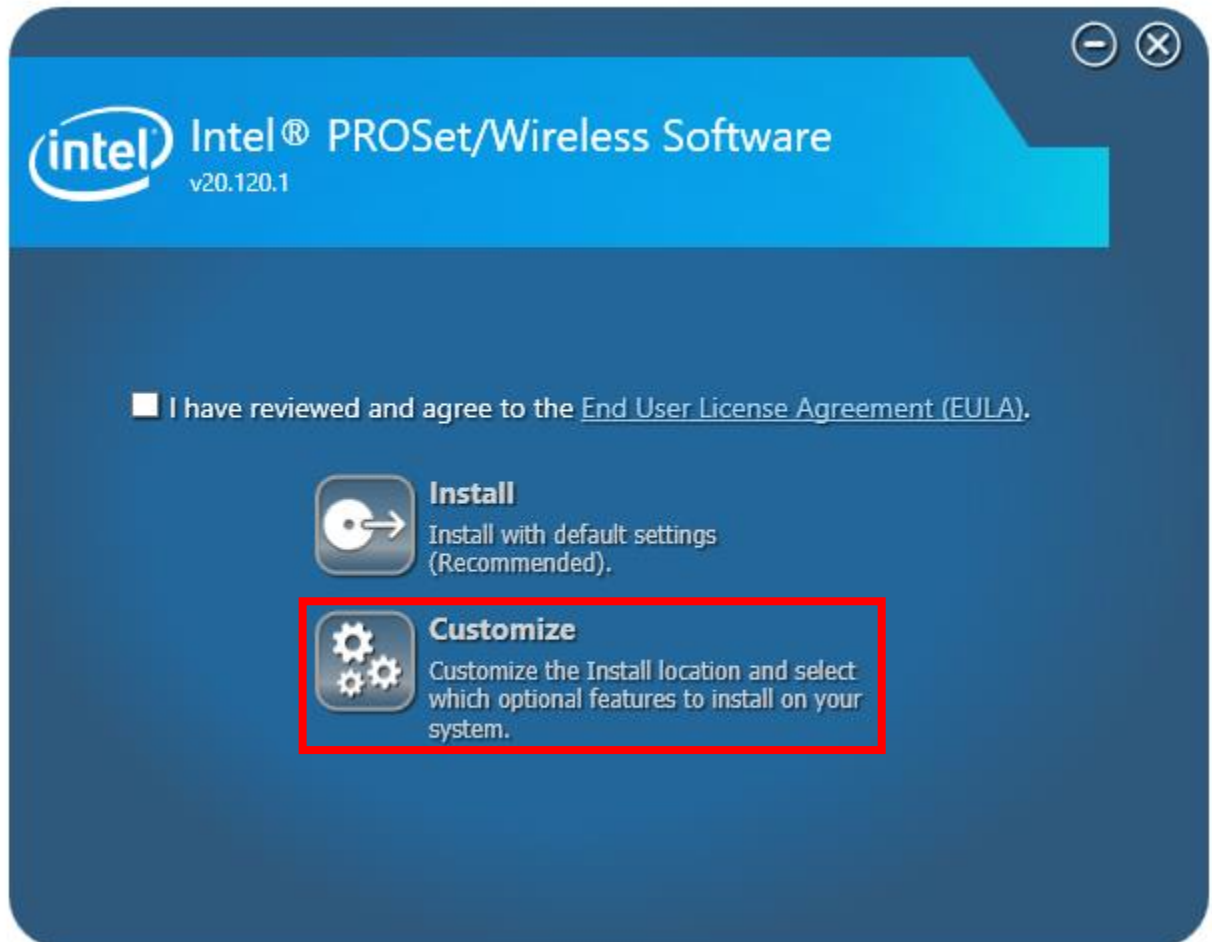

For Repair

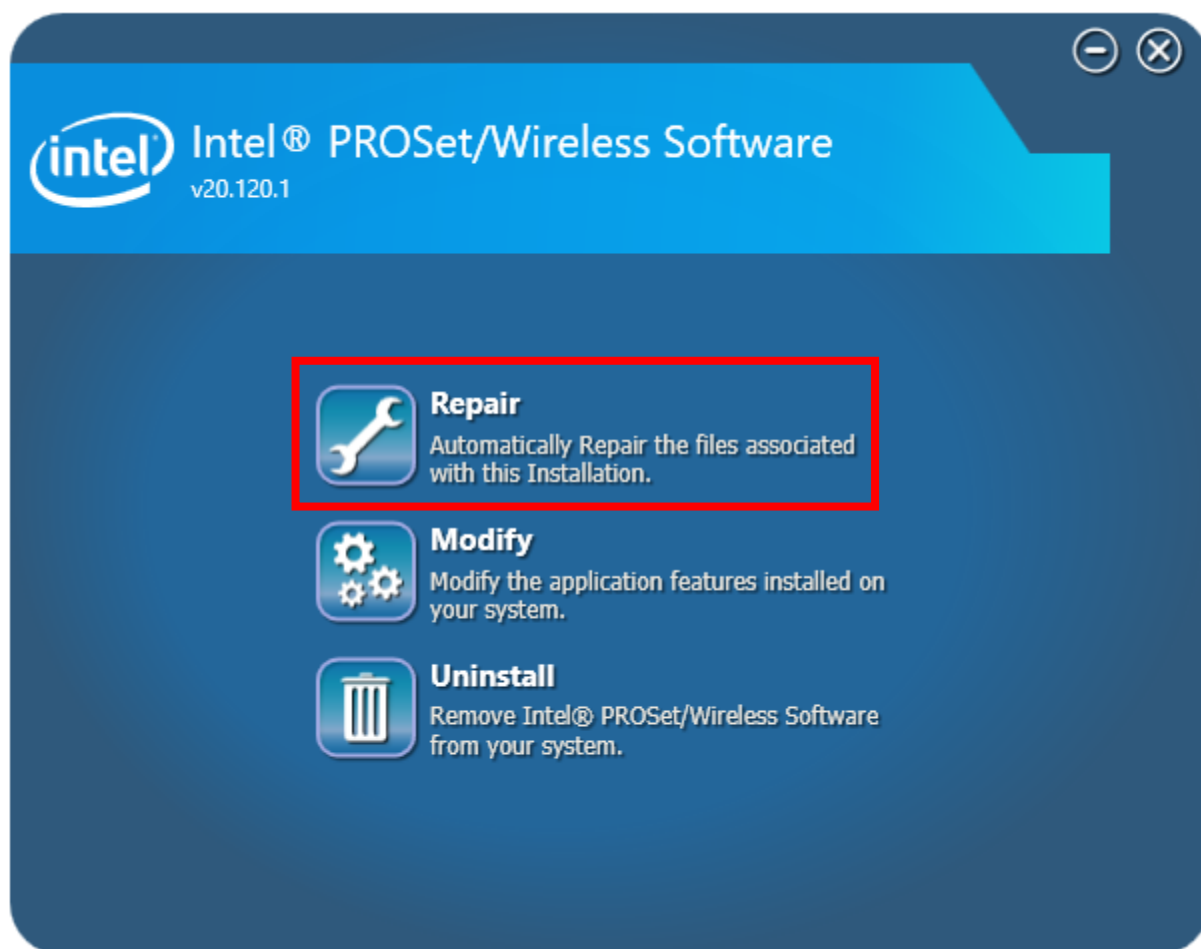

1. Double-click on the "Autorun.exe" file to initiate the installation process.

Name	Status	Date modified	Type
