---

GREAT NEWS, Spare and replacement batteries for the Razer Mamba can now be found for sale on [www.razerzone.com](http://www.razerzone.com).

These are available at both the US and EU Razerzone sites.

You will find those and other spare parts for Razer products at the following link,

[http://store.razerzone.com/store/razerusa/en\\_US/DisplayCategoryProductListPage/categoryID.35096200](http://store.razerzone.com/store/razerusa/en_US/DisplayCategoryProductListPage/categoryID.35096200)

We also added a few more downloads on the Razer Support site.

• Lachesis Firmware updater for Windows 7 v1.94- Windows 7 Support

• Naga WoW AddOn 1.2.2 - Fixes compatibility issue

• Emperor PC Driver v1.02 Release - Added support for Chinese Simplified, Chinese Traditional, Korean, and Japanese languages.

• Lachesis5600 PC Driver v2.00 Release •“Driver for our soon to be released Lachesis 5600.

• DA Mac Driver v3.00 Release •“ Now allows programmable delay up to 99999 ms

For further details on these updates please see below. Feel free to contact the Razer Support team at [www.razersupport.com](http://www.razersupport.com) should you have any questions.
